Ata 67-24 5)

Submitted to His Highness.

When the Budget for the current year was voted by the Legislative Council at its session in June last, there were as many as 32 motions for abolition of Duty Allowances given to officers in the different departments. The Members who had brought up these motions were persuaded to withdraw them on the assurance that Government would refer the question of all Duty Allowances to the Standing Committee on Taxation and Finance. This Committee accordingly went into this question at its meetings held on the 6th, 7th, 8th and 11th October 1924 and the recommendations contained in its report dated 12th October 1924 were considered by the Council on the 13th November 1924.

The feeling of the Members of the Legislative Council as well as the Representative Assembly is strong against the grant of these allowances, but there are some misapprehensions on the subject which I explained to the Legislative Council during the debates. The Committee has on the whole been reasonable in their recommendations and the Council after discussion have resolved to accept the recommendations of the Committee in the following cases:--

Appointment	Allowances.	Recommendations of the Committee.
Office Assistant to the Survey Superintendent.	50	Not to be given except to a Sub Assistant Superintendent appointed as Office Assistant
Deputy Commissioner of Income-tax.	150	To be reduced by Rs. 50.
Supervision of Mines.		
Chief Inspector of Mines.	200	To be abolished; the present incumbents, however, being permitted to draw these allowances.
Inspector of Mines.	100

Deputy Registrar. G.R.S.	30	To be abolished.

No. 757-807/C.B.210-23-1 dated 22nd September 192[illegible] after the officers in excess of that number are withdrawn.
		The bonus of Rs. 1,000 granted to Civilians who pass the Government of India examination reduced to Rs. 50
C.I.D. Inspectors (2) each	50	To be reduced by Rs
Surgeon, Lunatic Asylum.	50	To be abolished; [illegible] tion against priv[illegible] tice being withdra[illegible]

Engineering Assistant to the Inspector General of Education. ...	75	To be reduced by Rs. 25.
Civil Engineering Asst. Engineering School..	75	To be reduced by Rs. 25.
Scout Commissioner.	100	To be reduced by Rs. 25.

It is not, however, fair to reduce or withdraw the above allowances in the case of the present incumbents of the offices and it is, therefore, proposed to give effect to the abolition or reduction at the next change of incumbents.

In a few cases, the Council held that it was not desirable to accept the recommendations of the Committee. The following are items of this kind:--

Appointment	Allowances.
Assistants to the Revenue Commissioner. (2)	50 each.
Amildars, Bangalore and Mysore Taluks. (2)	50 each.
X Ray allowance.	50.

Assistant Commissioners working in the Secretariat and the Comptroller's Office are given Duty Allowances and the Committee has not proposed the abolition of these allowances. Assistant Commissioners working as Office Assistant to the Inspector General of Police and the Excise Commissioner will also be permitted to draw the Duty Allowances which they are now drawing according to the recommendations of the Committee. To accord a different treatment to the Assistants to the Revenue Commissioner is not reasonable and in view of this, it is desirable to continue the Duty Allowances in their cases also.

In view of the nature of their charges and of the expensiveness of living in the Cities, the Amildars in charge o Bangalore and Mysore Taluks require some consideration and is undesirable, therefore, to withdraw the allowance of Rs

each

each which is being given to them for a number of years.

The handling of the X ray apparatus requires special skill and it also involves some risk. An Officer specially trained for performing this work has to be given some additional remuneration and in view of this consideration, it is proposed to continue the X ray allowance.

The recommendations of the Committee for abolishing the allowance of Rs. 25 to the Superintendent, Reporting Section is the result of a misapprehension. The Office of the Superintendent, Reporting Section, has a separate scale of pay and no allowance is attached to it.

The Committee have suggested that all Assistants in the General and Revenue Secretariat should be of the status of Assistant Secretaries, that there need be no officer of the status of Under Secretary, and that the allowance given to all Assistants should uniformly be Rs. 50. In the recent reorganization of the Civil Service, provision has been made for an under-Secretary as the need has been felt for at leas one Officer senior in service and capable of doing more responsible work than the ordinary Assistants. The present rat of Duty Allowance to the Under Secretary is Rs. 100 per mensem. It is, however, proposed to reduce it to Rs. 75.

The Principal, Police Training School, is drawing a Duty Allowance of Rs. 50 and the Committee propose to abolish it altogether. The nature of the charge requires an additiona remuneration and the Council accordingly considered that the allowance be reduced to Rs. 30 instead of being withdrawn altogether.

The Committee has suggested the reduction from Rs. 100 to Rs. 50 each, of the allowances now drawn by the Personal Assistant to the Chief Commandant and the Accounts Assistant to the same officer. These appointments belong to the

Military Department which is a non-votable head. The Finance & Taxation Committee is not constitutionally competent to mak any recommendations in regard to the expenditure falling unde this head. Whether any reduction as suggested by the Committ is possible will be separately considered but not as part of the recommendations of the Committee.

The following proposals relate to the Railway Department:--

Appointment.	Allowance.	Recommendations of the Committee.
Asst. Traffic Manager.	50	To be abolished.
Asst. Agent (Engineering)	50	To be abolished (the present incumbent, however, being allowed to draw it).
Auditor, Mysore Railways.	200	To be reduced to Rs. 100

When the Office of the Traffic Manager was amalgamated with that of the Agent, an officer of the status of Assistant Traffic Superintendent was allowed to work in the Headquarter Office as the Agent's Assistant in matters relating to Traffic and he was given a Duty Allowance of Rs. 50 in addition t his grade pay. There is now a separate Traffic Manager and i is necessary to enquire what need there is to allow an Office Assistant.

As regards the Engineering Assistant, it is necessary to find out why the Superintendent, Way and Works, cannot assist the Agent in matters relating to engineering and the need for a separate Engineering Assistant in the Agent's Office obviated.

The recommendations in regard to these officers will therefore be reserved for consideration after verification the necessity to continue these appointments.

As regards the Auditor, Railways, the allowance was f

at Rs. 200 after much consideration and it is undesirable to reduce it. The rate of allowance of Rs. 200 is, however considered high by the non-official members of the Legislative Council and it is not, therefore, desirable to wholly reject the recommendation of the Committee. It is therefore proposed to reduce the allowance to Rs. 150 instead of to Rs. 100. This reduction will also be given effect to when there is a change of incumbents.

I request the gracious sanction of His Highness to the action proposed to be taken on the recommendations of the Committee as indicated in the Council resolution and as explained above.

Bangalore,
18th Novr. 1924.

"The following proposals relate to the Railway Department:-

Appointment.	Allowances.	Recommendations of the Committee.
Asst. Traffic Manager.	50	To be abolished.
Asst. Agent (Engineering)	50	To be abolished (the present incumbent however, being allowed to draw it).

vide action taken in R.1774-7 Pg. 1905-24-25

When the Office of the Traffic Manager was amalgamated with that of the Agent, an officer of the status of Assistant Traffic Superintendent was allowed to work in the Headquarter Office as the Agent's Assistant in matters relating to Traffic and he was given a Duty Allowance of Rs.50 in addition to his grade pay. There is now a separate Traffic Manager and it is necessary to enquire what need there is to allow an Office Assistant.

As regards the Engineering Assistant, it is necessary to find out why the Superintendent, Way and Works, cannot assist the Agent in matters relating to engineering and the need for a separate Engineering Assistant in the Agent's Office obviated.

The recommendations in regard to these

Proceedings of the Government of His Highness the Maharaja of Mysore.

Order No. H 3537-86. dated 23.12.24
S.R 67-24-1

When the Budget for the year 1924-25 was voted by the Legislative Council at its session in June 1924, there were as many as 32 motions for the abolition of Duty Allowances to officers in different departments, but they were not pressed, as Government agreed to refer the whole question of Duty Allowances to the Standing Committee for Finance and Taxation. The subject was accordingly considered by the Committee at its meetings held on 6th, 7th, 8th and 11th October 1924.

2. The Committee's proposals are reproduced in the appendix to this order. Government have considered the recommendations of the Committee and they are pleased to accept them except only a few. The Orders of Government regarding the abolition or reduction of the allowances are indicated in the last column of the appendix and they will be given effect at the next change of incumbents.

3 The cases in which the suggestions of the Committee have not been accepted are the following:

(1) The conditions of employment of the Assistants to the Revenue Commissioner are the same as those of Assistants working in

in the other Head Quarter Offices and it is considered, therefore, necessary to continue the allowances now drawn by them.

(2) The withdrawal of the allowances drawn by the Amildars of the Bangalore and Mysore Taluks is undesirable in view of the nature of their charges and the costliness of living in the two cities.

(3) The handling of the X-ray apparatus requires skill and it also involves some risks. An officer specially trained for performing this work has to be given some additional remuneration and in view of these considerations, it is proposed to continue the X-ray allowance.

4. In the recent re-organisation of the Civil Service, provision has been made for the post of an Under Secretary in the General and Revenue Secretariat as an officer of this status is necessary. This post cannot, therefore be changed to that of an Assistant Secretary as proposed; the rate of Duty Allowance attached to this office will, however, be reduced from Rs.100 to Rs.75.

5 The nature of the charge of Principal, Police Training School, requires some additional remuneration and the continuance of the allowance attached to this office is necessary. It will, however, be reduced from Rs.50 to Rs.30.

6 In view of the duties and responsibilities of the Railway Auditor and also of the scale of

of salaries of the heads of other Railway Departments, the Duty Allowance attached to this office will be reduced to Rs.150 instead of to Rs.100 as proposed by the Committee.

7 The Committee has suggested the reduction from Rs.100 to Rs.50 each of the allowances drawn by the Rersonal Assistant to the Chief Commandant and the Accounts Assistant to the same officer. These appointments belong to the Military Department which is a non-votable head. Whether any reduction in these allowances is possible will be considered by Government.

8 The proposed abolition of the allowance of Rs.50 each attached to

(i) the Assistant Traffic Manager, and
(ii) the Assistant Agent (Engineering)

is reserved for separate consideration.
